 (FOR KEY SEE REVERSE)

1. A large army storage depot was built during the German occupation at Deba (R 51/V 58).
2. During 1953 a large number of assembly halls were built on the site of these former stores and they are now used for the assembly of jet aircraft engines.
3. The area of the factory is closely guarded and all workers must have special passes to enable them to enter the premises.
